

Pilots for Christ International

MARCH 2018

A wonderful time was had by all in Branson, Missouri on Sept 22-24, 2017 at the Pilots for Christ International Conference. The convention was sponsored by the Arkansas Chapter under the guidance of Arkansas Chapter President, Lance Winn. The convention was convened with President Tim Layne welcoming members from around the country.

Ann Marie, daughter of PCI founder, Bill Starrs, was at the Conference and shared her father's legacy with those in attendance. She said:
"People responding to other people's pain---that's what Pilots for Christ is."

Members of PCI from chapters across the country attended meetings, prayed, and enjoyed the music of the Cedar Creek Band.
