Questions and Answers about Joining Pilots for Christ International

What is Pilots for Christ International?

Pilots for Christ is a non-denominational group of pilot and non-pilot aviation enthusiast's, who promote the Gospel of Jesus Christ, by providing urgent air and ground travel, free of charge to those in need. We leave our differences in the hands of Our Heavenly Father to guide us with wisdom, strength, and truth. Our only hope is that you believe Jesus Christ is your personal Savior and Savior of the world.

Who pays for fuel and trip expenses?

As a public benefit flying organization, Pilots for Christ International, Inc., abides by the provisions in the FAR, §61.113, and any future changes authorized by the FAA. We are a totally volunteer organization, serving Our Lord Jesus through our love of aviation and aviation related activities. Also, you can check with local chapters regarding their policies and rules. Under Internal Revenue rules, expenses you incur while on volunteer flight may be deductible.

How often do I have to meet?

While a member of Pilots for Christ International you have no requirement to attend meetings. We trust Our Lord Jesus will touch your heart, to attend an event, or confirm a mission. Some chapters meet once a month, some once per year. All members have an annual opportunity to come to the International convention, for fellowship and fun.

Does Pilots for Christ own any aircraft?

Depending on God's Will, we currently own one aircraft. We do have independent affiliated chapters who own aircraft, and many owner's volunteer use of their aircraft to other members, for missions.

What is the cost of joining Pilots for Christ International?

Pilots for Christ International requires an initial membership fee, of \$35. Renewals each year are currently \$25, or you can receive a life-time membership for just \$250. Some local chapters require an additional chapter membership fee, so be sure to check with the chapter you would like to join. You may also remain a member-at-large with no chapter affiliation.

What types of mission would I get?

We review all, valid, urgent travel needs. We prioritize: Medical, terminal illness, pastors, priests, missionaries (within their scope of duties). Funerals, drug abuse, reconciliations, veterans, and once confirmed we post to the online scheduling service. Above all we share The Love of Jesus with everyone!

How do I get assigned missions?

At Pilots for Christ International, we do not assign missions. You can receive a mission one of two ways. The first way is to view our online mission scheduling at <http://www.shiftboard.com/pilotsforchrist/> (once you are a member), where you can view all mission requests across the nation. If a mission opportunity is within your ability and distance, then it is a simple matter of confirming the mission, through your own actions, online. or secondly, (if a chapter member), checking with your chapter flight coordinator to confirm an opportunity. The whole process is simplified and recorded with all contact and mission information, including follow-up prayer and a history of all missions completed for Our Lord Jesus.

What other activities can I get involved with?

There are many activities that you can become involved with, at Pilots for Christ International. Each year PCI offers pilots for the National Day of Prayer, 1st Thursday each May. When able, we provide a booth at the Sun-N-Fun Fly-In and Oshkosh Air Venture, and seek volunteers to help work the booths. We also have our annual convention/conference at different locations around the country, bringing many members of PCI together for spiritual blessing and companionship. Also, Check with each chapter, for local air shows and events.

How can I Join?

If you have a chapter in your area, get active in it. If you don't have a chapter, start one. It isn't hard and we will help you do it.
