Questions and Answers How we can Help you! at Pilots for Christ International

What is Pilots for Christ International?

Pilots for Christ is a non-denominational group of pilot and non-pilot aviation enthusiasts, who promote their belief in Jesus Christ, by providing urgent air and ground transportation, free of charge to those in urgent need. We leave our differences in the hands of Our Heavenly Father to guide us with wisdom, strength, and truth.

Who do we help?

Anyone in need of urgent air or ground transportation, FREE OF CHARGE. We have limited aircraft that can carry non-ambulatory individuals. We do transport, Medical treatment needs to distant locations, terminally ill patients, pastors, priests, missionaries, and almost anyone in great need of urgent transportation. We are not authorized as a air ambulance, nor can we provide medical treatment in-flight. We can even assist with use of an automobile. Please contact us!

How do we help?

Pilots for Christ International is an all volunteer organization whose members use their own aircraft, and automobiles to help transport individuals with, urgent travel needs. We are individuals from all walks of Christian faith serving Our Lord Jesus Christ as examples of His caring and love.

What kind of aircraft do we use?

Generally, we use small, single engine aircraft, usually 4-6 seats. However, we do have a small number of larger faster aircraft. The Federal Aviation Administration does not require volunteer pilots to meet the same standards as pilots who conduct commercial operations. All of our volunteer aircraft and pilots meet requirements of FAR's, for flight of private aircraft.

How does someone make a request?

There are (3) methods, of contact for travel assistance:
1. Complete the form at (R) and send in to PCI
2. Go online at:
<http://pilotsforchrist.org/services/requestflightto ride.html>
3. Call (616) 884-6241 and talk directly with someone
Please provide as much lead time as possible per request

What happens after I make a request?

Someone from PCI travel coordination services will call you. We will need to verify your request, such as, email address, telephone number, the reason you contacted us. Are you the actual person making the request or an advocate. Most of all we need to send you some forms to complete and return to us.

What kind of information do you need to approve a travel request?

We will ask general information about your request, your travel needs, your financial need. We will need you to complete an indemnity waiver. We will need clearance from a doctor, if you are requesting travel for medical treatment, or are terminally ill. If you are requesting a flight we will need your weight and amount of luggage. (normally passengers are limited to patient and a companion). Any special considerations you may have. Any information we collect is privacy protected and not shared with anyone outside of the yourself, and your volunteer pilot. If you have questions, please call us.

Why would a request be denied?

As good stewards of Christ's funds we try to help everyone who contacts us! There are times when a request is not deemed to be urgent by the criteria we set forth. An example might be; a specific request to visit a friend who is getting minor surgery. We may turn down a request like this so that our resources are ready and available to help someone with a more urgent need, like a patient needing travel after chemo, from a distant treatment center. We may turn down a request for you to simply go for a social visit, near your home. Please contact us and we will evaluate every request. All of our decisions are based on urgency of need and availability of resources and much prayer.
